Alpha-Prime, Inc. is a customer-focused paper converter located in the heart of Wisconsin's Paper Valley. The expert staff and state-of-the art equipment at Alpha-Prime specialize in:

- Paper & Paperboard Converting
- Precision Sheetting
- Trimming
- Custom die cutting
- Packaging
- Rewinding

"If it's important to our customers, it's important to us." - Rich Bartosic, President

Customer service is not just a phrase at Alpha-Prime. It's a way of doing business:

- On-time delivery, as ordered.
- No minimum orders.
- Most price quotes are just a phone call away - quotes can be given over the phone on the first call.
- Cross-trained workers flow to the work, around the clock.
- Extensive paperboard inventory means most orders can begin production immediately from stock stored in our warehouse. We also stock customers' rolls for quick turnaround on custom orders.
- Fully air-conditioned plant minimizes humidity problems.

"I like the variety of requests we get and meeting the needs of our customers."

Rich established Alpha-Prime, Inc., in 1990. His responsibilities include engineering, financial planning and business development. Rich is a 37-year paper industry veteran, 19 of those years at Procter & Gamble Paper in Green Bay, Wisconsin. He holds a B.S. degree in mechanical engineering from the University of Wisconsin-Madison.

In his free time, Rich is an avid golfer and enjoys snow skiing.

"I enjoy working with the excellent staff of Alpha-Prime, Inc. From the office staff to the personnel in production, the goal is always to ensure our customers have the highest level of service."

Gary joined Alpha-Prime, Inc. in 1992. Gary's responsibilities include customer service, production scheduling, purchasing and transportation. He has 27 years of cumulative experience in production management, customer service, transportation and logistics.

Gary is married and a father of three. He enjoys spending his free time with family and friends.

"I take great pride in working at Alpha-Prime, Inc. because there is a terrific group of people doing quality work in a fun atmosphere."

Jodi joined Alpha-Prime, Inc. in January 2003. Her responsibilities include accounting, human resources, production and customer service. She holds an Associate Degree in Applied Science in Accounting from Fox Valley Technical College.

Jodi spends her free time camping, fishing, and enjoying time with her family and friends.

"Using typical adjectives like, reliable, quality, responsive...to describe Alpha-Prime would be quite an understatement. The company's tag line, "First and Best" says it better. They don't just say it, they do it, continually! To us at The Custom Creations Group, Alpha-Prime is our "First" call, and our "Best" source for first class service, on all levels."

**Jerry Zaborowski, President
The Custom Creations Group
West Bend, WI**

"We have worked with Alpha-Prime since 1998, and when we need something quickly, we call them. They get us the product we need, on time, and they always stand behind their work."

**Chuck Dufon, Sales Manager
National Paperboard Group, Inc.
Lakeville, MN**

"I just wanted to let you know what an incredible group of people you have working at your facility. Though I have only worked with them over the phone, Gary and Jodi have always been extremely helpful, pleasant, and have managed to accommodate some extremely tight lead times and dead lines. It truly is a pleasure to work with your company and your staff. I look forward to working with Alpha-Prime in the future."

**Tim Isbell, Sales Coordinator
Channeled Resources Group-Liner Solutions
Chicago, IL**

"Alpha-Prime is just real easy to work with. If I call Jodi or Gary or anyone else, the turnaround is phenomenal. They are real consistent with pricing and are an overall enjoyable company to work with."

"We work with them at least weekly, up to two or three times a week. They do a lot of chipboard sheeting for us. They drop ship straight from their docks to our customers, and we don't have to touch it again. I trust Jodi to keep us on schedule, and she calls if there are ever any delays."

**Pamela Calhoon, Purchasing Agent
The Belson Company
Green Bay, WI**

"We've been working with Alpha-Prime since 1996, about once every month. They cut all of our seed germination paper from Mosinee. It's paper that's used in labs for starting seeds. Alpha-Prime is pretty quick and they do a good job. If I'm in a bind, Jodi bends over backwards to get me what I need."

**Art Koch, Vice President
Anchor Paper
St. Paul, MN**
